## New Members

### 2019 Swearing In Ceremonies

We welcomed eight new members into the detachment this year: Dave Condon; Michael Davis; Larry Dominguez; Albert Felicio; Rob Jones; Rich Klein; Lew Maupin; Rob Warner

## Picnic

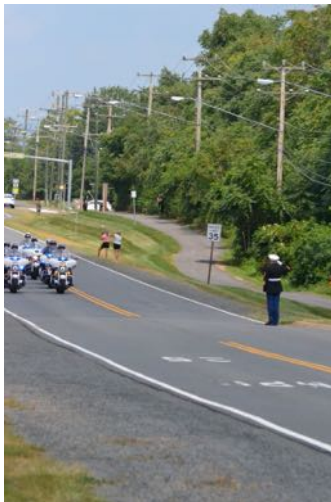

The hallmark of a successful picnic is that it isn't raining. It was, however, hotter than hell. Thus the Marines in the lower left picture are minimizing all motion, undoubtedly learned at 29 Stumps.

## 9/11 Foundation Motorcycle Ride

When it rode into town in August Frank Holtz was there as he is every year, welcoming them in by holding his salute through the whole long procession.

Repairs to his arm followed.

## Our American Legion Post 293 Home

We continued to enjoy and appreciate the hospitality of our American Legion Post 293 home and made sure that Post Commander Blaine Anderson knew that.

We had an occasional PME

And, of course, used other aspects of the facility.

## Veterans' Summer Social

With American Legion Post 293 and Red White and Blue, we co-sponsored a summer social for veterans and their families on what turned out to be the hottest day of the year.

Despite that, it was a hit and will be repeated this year at Boulder Crest Foundation in Bluemont.

## Color Guards

We had three Color Guard events in 2019, the Marshall House Veterans Day Commemoration, the Round Hill Days Veterans appreciation event, and B-Chord Brewing's money raising event for the Boulder Crest Foundation.

This was our seventh year heading up the Round Hill Days parade.

## Memorial Events

The Leesburg Rotary Club has an annual Flags for Heroes event to raise money for their charitable activities.

This year our Chaplain, Eddie Johnston, gave the benediction and member Ron Clark made a presentation.

Each Memorial Day we join with other veterans' service organizations to play a part in placing wreaths at the Courthouse's war memorials. This year Vince Marino and Frank Holtz represented the detachment.

## Toys for Tots

We collected: 24,519 toys. We distributed: 28,109 toys. We have 7,263 toys ready for November distribution. 6,834 children received toys.

We had over 304 community volunteers help us receive and sort toys, and a core of 8 detachment members who were consistently involved in the operation.
